

Procarta™ Transcription Factor Control Whole Cell Lysate Kit

Product Insert

Cat. No. PC5501

About the Procarta TF Control Whole Cell Lysate Kit

The Procarta Transcription Factor Control Whole Cell Lysate Kit contains 2 components used to monitor assay performance in Panomics' Procarta Transcription Factor Assay Kit. These 2 components are included in Procarta Transcription Factor Assay Kits and are available as a separate supplemental kit for purchase separately.

Intended Use

Panomics' Procarta Transcription Factor Control Whole Cell Lysate Kit is designed for use with Procarta Transcription Factor Assay Kits. Refer to the *Procarta Transcription Factor Assay Kit User Manual* for detailed instructions on use and analysis of results.

Safety Warnings and Precautions

CAUTION All chemicals should be considered potentially hazardous. We recommend that this product and its components be handled by those trained in laboratory techniques and be used according to the principles of good laboratory practice.

For research use only.
